At the Cathedral Church of All Saints, we represent a community of family and friends with a shared vision and mission. Together we live out our core values in the world.

**Together we make a difference as we live out our mission:**

*We are called to be a place of hope in God's world: where God is worshipped with heart, mind, and voice; where Christ's peace and justice are sought; and where strangers can become friends.*

On this shared path, we pool our resources gladly. We chip in with the work required and stand ready to give a hand as we are able. We also accept a hand of support when it is needed. By pitching in together with our time, talents, and treasure, we grow as individuals spiritually as we seek to act justly and lovingly with all our resources that God has provided to each of us.

Pre-Authorized Giving (aka Automatic Offering, Pre-authorized Remittance or PAR) not only helps our church community plan its annual budget – it is more than that. It also means our church can engage in its mission as we live out our values. It enables us to move from budget talk to conversations on mission, ministry, outreach, activism, prayer, and caring for one another. It means we can focus more on *why* we exist as a community of believers rather than *how* we are going to support our ministries, programs, and our neighbours both near and far.

**Thank you for your generosity.**
